1 Q Did you tell Lior Ron that you had 14:47  
2 involvement with Tyto Lidar? 14:48  
3 A On the advice and direction of my counsel, I 14:48  
4 respectfully decline to answer, and I assert the 14:48  
5 rights guaranteed to me under the Fifth Amendment to 14:48  
6 the Constitution of the United States. 14:48  
7 Q Did you tell anybody who was involved in the 14:48  
8 acquisition of Tyto Lidar by Otto that you, in fact, 14:48  
9 had an ownership and controlling interest of Tyto 14:48  
10 Lidar? 14:48  
11 A On the advice and direction of my counsel, I 14:48  
12 respectfully decline to answer, and I assert the 14:48  
13 rights guaranteed to me under the Fifth Amendment to 14:48  
14 the Constitution of the United States. 14:48  
15 Q And isn't it true that you actually 14:48  
16 repeatedly denied having involve- -- involvement in 14:48  
17 Tyto Lidar? 14:48  
18 A On the advice and direction of my counsel, I 14:48  
19 respectfully decline to answer, and I assert the 14:48  
20 rights guaranteed to me under the Fifth Amendment to 14:48

22 Q Now, in -- when -- during the negotiations 14:49  
23 with -- in the Asset Purchase Agreement with Tyto 14:49  
24 Lidar, you were, in fact, negotiating that agreement 14:49  
25 on behalf of Ottomotto; isn't that right? 14:49

1           A    On the advice and direction of my counsel, I           14:49  
2   respectfully decline to answer, and I assert the           14:49  
3   rights guaranteed to me under the Fifth Amendment to           14:49  
4   the Constitution of the United States.           14:49

6   somebody at Otto or Uber that you had involvement or           14:49  
7   ownership or controlling interest in Tyto when that           14:49

12   the Constitution of the United States.           14:49

14   on behalf of Ottomotto, while you had an ownership and           14:50  
15   controlling interest in Tyto, smacks of self-dealing?           14:50

16          A    On the advice and direction of my counsel, I           14:50  
17   respectfully decline to answer, and I assert the           14:50

22   respectfully decline to answer, and I assert the           14:50  
23   rights guaranteed to me under the Fifth Amendment to           14:50  
24   the Constitution of the United States.           14:50

25          Q    Now, are you aware that the Asset Purchase           14:50

1 Agreement between Tyto Lidar and Ottomotto excluded 14:50  
2 certain assets from the purchase? 14:50  
3 A On the advice and direction of my counsel, I 14:50  
4 respectfully decline to answer, and I assert the 14:50  
5 rights guaranteed to me under the Fifth Amendment to 14:50

9 Do you understand that, among the assets 14:52  
10 excluded from the sale of Tyto Lidar to Ottomotto, was 14:52  
11 all e-mail accounts and e-mail archives owned by Tyto 14:52  
12 Lidar? 14:52

14 respectfully decline to answer, and I assert the 14:52  
15 rights guaranteed to me under the Fifth Amendment to 14:52  
16 the Constitution of the United States. 14:52  
17 Q Why would -- why would e-mail accounts and 14:52  
18 e-mail archives owned by Tyto Lidar, LLC, be excluded 14:53  
19 from this -- the sale? 14:53

17 Tyto Lidar, LLC? 14:54

24 MR. PERLSON: Q. Have the -- have the Tyto 14:54

25 Lidar e-mail accounts and e-mail archives been 14:54

1 destroyed? 14:54

2 A On the advice and direction of my counsel, I 14:54

5 A On the advice and direction of my counsel, I 17:29

6 respectfully decline to answer, and I assert the 17:29

7 rights guaranteed to me under the Fifth Amendment to 17:29

16 work for competitors to Waymo, working in the 17:29

17 self-driving space; isn't that right? 17:29

18 MR. PERLSON: Objection; form. 17:29

19 THE WITNESS: On the advice and direction of 17:29

20 my counsel, I respectfully decline to answer, and I 17:29

23 MS. DUNN: All right. 17:29

24 Q Waymo's counsel asked you a number of 17:30

25 questions about Odin Wave and Tyto Lidar. 17:30

1 Do you remember that? 17:30

2 A I remember the -- 17:30

3 Q Do you remember -- 17:30

4 A -- events earlier today, yes. 17:30

5 Q Mr. Levandowski, you never told anyone at 17:30

8 MS. DUNN: Q. You concealed from Uber that 17:32  
9 [REDACTED] would benefit from Otto's purchase of 17:32  
10 Tyto's assets which Uber had funded; isn't that true? 17:32

15 Amendment to the Constitution of the United States. 17:32  
16 MS. DUNN: Okay. 17:32  
17 Q And your financial interests should have been 17:32  
18 disclosed to Uber; shouldn't they have? 17:32  
19 MR. RADKE: Object to form. 17:32  
20 THE WITNESS: On the advice and direction of 17:32

25 MS. DUNN: Q. Mr. Levandowski, you're aware 17:32

1 MS. DUNN: Q. Mr. Levandowski, Waymo's 17:33  
2 counsel asked you about disclosures that you were to 17:34

5 Do you remember being asked those question? 17:34  
6 A I do remember the questions. 17:34  
7 Q You did -- you did not tell Uber complete and 17:34  
8 truthful information about several bad acts that you 17:34  
9 had done; isn't that right? 17:34  
10 A On the advice -- 17:34  
11 MR. EHRLICH: I'm going to -- first of all, 17:34  
12 I'm going to object, based on common interest 17:34

15 THE WITNESS: I'm going to listen to my 17:34  
16 counsel. 17:34  
17 MR. PERLSON: I'm going to point out another 17:35  
18 sword and shield issue here. I don't -- I don't know 17:35  
19 exactly what it is that you're referring to. But from 17:35  
20 the beginning of this case, Uber shielded us from 17:35  
21 getting information about these very bad acts, and now 17:35  
22 you're asking him questions about that. It's another 17:35  
23 instance of sword and shield. We'll raise this with 17:35  
24 the judge. 17:35  
25 MS. DUNN: David, this is just an exact 17:35

1 MS. DUNN: Q. You did not download these 17:40  
2 files to bring them to Otto or to bring them to Uber; 17:40  
3 isn't that right? 17:40  
4 A On the advice -- 17:40  
5 MR. PERLSON: Objection to form. 17:40

9 Amendment to the Constitution of the United States. 17:40

13 THE WITNESS: On the advice and direction of 17:40  
14 my counsel, I respectfully decline to answer, and I 17:40

17 MS. DUNN: Q. You did not download these 17:41

19 or Uber; isn't that right? 17:41  
20 A On the advice and direction of my counsel, I 17:40  
21 respectfully decline to answer -- excuse me -- and I 17:40  
22 assert the rights guaranteed to me under the Fifth 17:40  
23 Amendment to the Constitution of the United States. 17:40  
24 Q You did not download these files at Uber's 17:41  
25 request; isn't that right? 17:41

1 rights guaranteed to me under the Fifth Amendment to 17:42  
2 the Constitution of the United States. 17:42

3 Q In fact, prior to filing -- prior to Waymo's 17:42  
4 filing the complaint in this case, you didn't tell 17:42  
5 anyone at Uber that you intentionally downloaded and 17:42  
6 retained Google files in December of 2015 and 17:42  
7 December -- and January of 2016? 17:42

8 A On the advice and direction of my counsel, I 17:42  
9 respectfully decline to answer, and I assert the 17:42  
10 rights guaranteed to me under the Fifth Amendment to 17:42  
11 the Constitution of the United States. 17:43

12 Q And, prior to the filing of the complaint in 17:43  
13 this case, you did not tell anyone at Uber that you 17:43  
14 transferred intentionally downloaded files to a 17:43  
15 personal computer; isn't that right? 17:43

16 A On the advice and direction of my counsel, I 17:43  
17 respectfully decline to answer, and I assert the 17:43  
18 rights guaranteed to me under the Fifth Amendment to 17:43

21 complaint by Waymo in this case, you didn't tell 17:43  
22 anyone at Uber that you intentionally downloaded and 17:43  
23 retained files for any period of time? 17:43

24 MR. PERLSON: Objection; form. 17:43

25 THE WITNESS: On the advice and direction of 17:43

1 my counsel, I respectfully decline to answer, and I 17:43  
2 assert the rights guaranteed to me under the Fifth 17:43  
3 Amendment to the Constitution of the United States. 17:43

4 MS. DUNN: Q. And you also didn't tell 17:43  
5 anyone at Otto about any intentionally downloaded 17:43  
6 Google files before the complaint was filed by Waymo 17:43  
7 in this case; isn't that right? 17:43

8 A On the advice and direction of my counsel, I 17:43  
9 respectfully decline to answer, and I assert the 17:43  
10 rights guaranteed to me under the Fifth Amendment to 17:43  
11 the Constitution of the United States. 17:44

12 Q In fact, before Waymo filed its complaint in 17:44  
13 this case, you didn't tell anyone at all that you had 17:44  
14 intentionally downloaded Google files in December of 17:44  
15 2015 and January of 2016; isn't that right? 17:44

16 A On the -- 17:44

17 MR. PERLSON: Objection; form. 17:44

18 THE WITNESS: On the advice and direction of 17:44  
19 my counsel, I respectfully decline to answer, and I 17:44  
20 assert the rights guaranteed to me under the Fifth 17:44  
21 Amendment to the Constitution of the United States. 17:44

22 MS. DUNN: Q. Instead, you told some 17:44  
23 Google -- some Uber employees on March 11th of 2016 17:44  
24 that you had inadvertently retained some Google 17:44  
25 materials on five discs; isn't that right? 17:44

1           A    On the advice and direction of my counsel, I           17:44  
2   respectfully decline to answer, and I assert the           17:44  
3   rights guaranteed to me under the Fifth Amendment to           17:44  
4   the Constitution of the United States.           17:44

5           Q    And you recall that the CEO of Uber at the           17:44  
6   time, Mr. Kalanick, made quite clear to you, that you           17:44  
7   were not to bring those materials to Uber?           17:44

8           A    On the --           17:45

9                   MR. PERLSON:  Objection; form.           17:45

10                  THE WITNESS:  On the advice and direction of           17:45  
11   my counsel, I respectfully decline to answer, and I           17:45  
12   assert the rights guaranteed to me under the Fifth           17:45  
13   Amendment to the Constitution of the United States.           17:45

14                  Can we take a break?  Are you okay with that?           17:45

15                  MS. DUNN:  You should -- I'm almost done.           17:45  
16   Actually, let's take a break.           17:45

17                  THE VIDEOGRAPHER:  Off the record at           17:45  
18   5:45 p.m.           17:45

19                  (Recess taken.)           17:45

20                  THE VIDEOGRAPHER:  Back on the record at           17:59  
21   5:59 p.m.           17:59

22                  MS. DUNN:  Q.  Mr. Levandowski, after you           17:59  
23   told Uber employees on March 11, 2016, that you had           17:59  
24   inadvertently retained some Google materials on           17:59  
25   five discs, the CEO of Uber made very clear to you           17:59

1       that you were not to bring those materials to Uber;       18:00  
2       isn't that right?       18:00  
3       A    On the advice and direction of my counsel, I       18:00  
4       respectfully decline to answer, and I assert the       18:00  
5       rights guaranteed to me under the Fifth Amendment to       18:00  
6       the Constitution of the United States.       18:00  
7       Q    And after that, you told Uber that you had       18:00  
8       destroyed those materials; isn't that true?       18:00  
9       A    On the advice and direction of my counsel, I       18:00  
10      respectfully decline to answer, and I assert the       18:00  
11      rights guaranteed to me under the Fifth Amendment to       18:00  
12      the Constitution of the United States.       17:44  
13      Q    And isn't it the case that Uber told you very       17:44  
14      clearly not to bring any proprietary or confidential       18:00  
15      information with you to Uber from a former employer?       18:00  
16      A    On the advice and direction of my counsel, I       18:00  
17      respectfully decline to answer, and I assert the       18:00  
18      rights guaranteed to me under the Fifth Amendment to       18:00  
19      the Constitution of the United States.       18:00  
20      Q    And you told Uber you would not bring any       18:00  
21      proprietary or confidential information with you to       18:00  
22      Uber from a former employer; isn't that right?       18:01  
23      A    On the advice and direction of my counsel, I       18:01  
24      respectfully decline to answer, and I assert the       18:01  
25      rights guaranteed to me under the Fifth Amendment to       18:01

Page 267

1 the Constitution of the United States. 17:44

2 Q And you signed agreements expressly saying 17:44

3 that you would not bring any proprietary or 18:01

4 confidential information with you from a former 18:01

5 employer; isn't that right? 18:01

6 A On the advice and direction of my counsel, I 18:01

7 respectfully decline to answer, and I assert the 18:01

8 rights guaranteed to me under the Fifth Amendment to 18:01

9 the Constitution of the United States. 18:01

10 Q Mr. Levandowski, Uber did independently 18:01

11 design the Fuji system that has [REDACTED]; 18:01

12 isn't that correct? 18:01

13 A On the advice and direction of my counsel, I 18:01

14 respectfully decline to answer, and I assert the 18:01

15 rights guaranteed to me under the Fifth Amendment to 18:01

16 the Constitution of the United States. 18:01

17 Q And Uber did independently develop its own 18:01

18 [REDACTED] for the Fuji device; didn't it? 18:01

19 A On the advice and direction of my counsel, I 18:01

20 respectfully decline to answer, and I assert the 18:01

21 rights guaranteed to me under the Fifth Amendment to 18:01

22 the Constitution of the United States. 18:01

23 Q And Uber did independently develop the design 18:02

24 in the Fuji device that had [REDACTED] 18:02

25 [REDACTED]; isn't that 18:02

1 my counsel, I respectfully decline to answer, and I 18:04  
2 assert the rights guaranteed to me under the Fifth 18:04  
3 Amendment to the Constitution of the United States. 18:04  
4 MS. DUNN: Q. Mr. Levandowski, if you told 18:04  
5 the truth about what you did, that would make clear 18:04  
6 that your downloading while at Google had nothing to 18:04  
7 do with Uber; correct? 18:04  
8 MR. PERLSON: Objection; form. 18:04  
9 THE WITNESS: On the advice and direction of 18:04  
10 my counsel, I respectfully decline to answer, and I 18:04  
11 assert the rights guaranteed to me under the Fifth 18:04  
12 Amendment to the Constitution of the United States. 18:04  
13 MS. DUNN: Q. But you would not cooperate 18:04  
14 with Uber's investigation in this case; right? 18:04  
15 MR. EHRLICH: Object to form. 18:04  
16 MR. PERLSON: Objection. I think I asked 18:04  
17 that question and got an instruction from earlier, but 18:04  
18 maybe I'm misremembering. Go ahead and ask that 18:04  
19 question. 18:04  
20 But you ask him that -- if you ask him that 18:04  
21 question, everything involved in terms of your -- of 18:05  
22 his involvement in the investigation you've waived, 18:05  
23 because you're -- you are now -- by asking that 18:05  
24 question, you are now eliciting the same information 18:05  
25 that you've been not allowing us to go into for weeks 18:05

Page 271

1 and weeks. But go ahead. 18:05

2 MS. DUNN: David -- 18:05

3 MR. RADKE: I'll go ahead and instruct not to 18:05

4 answer to the extent that this would involve 18:05

5 communication protected by the common interest 18:05

6 privilege. 18:05

7 MS. DUNN: That's fine. 18:05

8 MR. EHRLICH: And I would join into that 18:05

9 instruction. 18:05

10 But, to the extent you can answer the 18:05

11 question without reference to communications with any 18:05

12 counsel, or common interest protected discussions, you 18:05

13 can give your answer. 18:05

14 THE WITNESS: On the advice and direction of 18:05

15 my counsel, I respectfully decline to answer, and I 18:05

16 assert the rights guaranteed to me under the 18:05

17 Fifth Amendment to the Constitution of the United 18:05

18 States. 18:05

19 MS. DUNN: I want to put one thing on the 18:06

20 record, which is, David, I don't -- I don't think I 18:06

21 instructed on this question, first of all. 18:06

22 And second of all, in the letter terminating 18:06

23 Mr. Levandowski, it explains that he did not cooperate 18:06

24 with Uber's investigation in this case. 18:06

25 And I think that that is just one 18:06

1 the... 18:37

2 I'm going to instruct the witness not to 18:37

3 answer to the extent to which the -- it would call for 18:37

4 privileged communications. 18:37

5 To the extent it doesn't, of course, as 18:37

6 always, he's free to answer. 18:37

7 THE WITNESS: On the advice and direction of 18:37

8 my counsel, I respectfully decline to answer, and I 18:37

9 assert the rights guaranteed to me under the Fifth 18:37

10 Amendment to the Constitution of the United States. 18:38

11 MR. PERLSON: Q. Tell me everything that 18:38

12 you've done to cooperate with Uber's investigation in 18:38

13 relation to this litigation. 18:38

14 A On the advice and direction of my counsel, I 18:38

15 respectfully decline to answer, and I assert the 18:38

16 rights guaranteed to me under the Fifth Amendment to 18:38

17 the Constitution of the United States. 18:38

18 Q Was there anything that Uber's lawyers asked 18:38

19 you to do in relation to Uber's investigation, in 18:38

20 relation to this litigation, that you actually did? 18:38

21 A On the advice and direction of my counsel, I 18:38

22 respectfully decline to answer, and I assert the 18:38

23 rights guaranteed to me under the Fifth Amendment to 18:38

24 the Constitution of the United States. 18:38

25 Q Was -- what specifically did you tell Uber 18:38

1     you would not do in relation to Uber's investigation     18:38  
2     in relation to this litigation?     18:39  
3           A     On --     18:39  
4           MR. EHRLICH: I'm going to object here,     18:39  
5     again, based on the common interest privilege.     18:39  
6           So, I'm going to instruct you not to give an     18:39  
7     answer relating to any communications to Uber counsel     18:39  
8     in connection with the litigation.     18:39  
9           MR. RADKE: Otto Trucking joins the     18:39  
10    instruction.     18:39  
11          MR. EHRLICH: But outside of that, to the     18:39  
12    extent they're not privileged communications, you can     18:39  
13    answer.     18:39  
14          MS. DUNN: Yeah, and I also will instruct to     18:39  
15    the extent that they're privileged communications, to     18:39  
16    not reveal the content.     18:39  
17          But, to the extent that there are     18:39  
18    non-privileged communications, the witness is free to     18:39  
19    answer.     18:39  
20          MR. PERLSON: Well, what's the line there?     18:39  
21          MS. DUNN: It's not what this -- I mean, I --     18:39  
22    my instruction is proper.     18:39  
23          MR. PERLSON: Are there -- well, let me ask     18:39  
24    you this: Are there any conversations that occurred     18:39  
25    with lawyers that wouldn't be privileged that he could     18:39

1 answer the question about that wouldn't be subject to 18:39  
2 that instruction? 18:39  
3 MS. DUNN: I -- David, your questions should 18:39  
4 be to the witness. 18:39  
5 MR. PERLSON: Well, I don't think it's 18:39  
6 possible for him to comply with the -- the scope of it 18:40  
7 the way that you've framed it. 18:40  
8 MS. DUNN: I think that's -- 18:40  
9 MR. PERLSON: Perhaps you should talk with 18:40  
10 him about it. 18:40  
11 MS. DUNN: I think I've -- I have made my 18:40  
12 instruction. His -- 18:40  
13 MR. PERLSON: Are there -- 18:40  
14 MS. DUNN: He doesn't look as confused as you 18:40  
15 look. 18:40  
16 MR. PERLSON: Did you have any -- well, I 18:40  
17 think his job is a little easier here today than -- 18:40  
18 than mine. 18:40  
19 Q But the -- the -- the -- did you have any 18:40  
20 communications -- okay. 18:40  
21 Well, let me -- let me ask you this: Are 18:40  
22 there any conversations -- well, that's -- that's what 18:40  
23 I asked you, that you objected to. 18:40  
24 What specifically did Uber's lawyers tell you 18:40  
25 to do in relation to Uber's investigation, in relation 18:40

1 to this litigation, that you refused to do? 18:40

2 MS. DUNN: Same instruction. 18:40

3 MR. EHRLICH: I think that that squarely 18:40

4 implicates privilege. So I'm going to instruct the 18:41

5 client not to answer. 18:41

6 MR. RADKE: Otto Trucking joins. 18:41

7 MR. PERLSON: Okay. I'm done for today, 18:41

8 subject to the various privilege issues and all the 18:41

9 other discovery issues out there that have yet to be 18:41

10 resolved. 18:41

11 MS. DUNN: I have only one additional 18:41

12 question. 18:41

13 MR. PERLSON: Okay. Do you want to just ask 18:41

14 it there, or do you want to switch? 18:41

15 MS. DUNN: I can ask it from here. 18:41

16 But you should look at the camera -- 18:41

17 THE WITNESS: Okay. I'll look at the camera. 18:41

18 MS. DUNN: -- so that we don't mess you up. 18:41

19 THE WITNESS: I'll pretend that you're asking 18:41

20 the question. 18:41

21 18:41

22 FURTHER EXAMINATION 18:41

23 BY MS. DUNN: 18:41

24 Q Mr. Levandowski, do you recall that 18:41

25 Mr. Perlson asked you about the relevance of the 18:41
